

case study

Barn Oaks Magna Drive, Citywest, Dublin

Featured Products: **Clima Pave Lismore Curragh Gold, Charcoal & Natural, Newgrange Flags Silver Granite, Trinity Blocks Silver Granite & Black Granite, Masonry Coloured Mortar - Ultra White & Charcoal, Masonry Mortar - Standard, UNO - One Coat Render - Buttermilk & Charcoal.**

Barn Oaks is a new residential development in the popular Citywest area. Located very close to the Citywest Business Campus and Citywest Shopping Centre, while also being next to the Luas Barn Oaks offers a quick route into the city centre.

This project used multiple of our paving products such as our Silver Granite Newgrange flags, which gives the surface a gentle texture using premium granite aggregates, providing both aesthetic appeal and durability. Our Clima Pave Lismore 3 Size Mix blocks in Curragh Gold, Charcoal and Natural were also used in this project along with our Trinity blocks in both silver granite and black granite. From our KPRO range this project used our Masonry Coloured Mortar in Ultra White & Charcoal, Masonry Mortar and our UNO (One Coat Render) in Buttermilk & Charcoal.
